

OUR STORY

# Long before community became a buzzword...

For over a decade, we've pioneered the business of community for professionals. We design, launch and manage purpose-built community programs.

OUR INFLUENCE

## Our members are industry leaders who drive business forward.

Our managed portfolio of communities include leaders and professionals from thousands of corporations, small businesses and startups, such as:

GLOBAL REACH

## Professional playgrounds of prestige and possibilities.

Over the past decade, we've built and managed bespoke professional communities of all shapes and sizes—digital-first launching pads where our members can plug in, amplify their visibility, expand their influence, grow their business, and satisfy their endless ambition.

**25k+** Members to date | 
 **50+** Professional Communities | 
 **72** Countries

## Our community is only as strong as the voices of our members.

Member insights are shared and published widely to create industry influence across our portfolio of professional membership communities.

“Community.co has been crazy valuable, just to have people give you some quick advice on a business challenge, instantly knowing who to call, and being able to partner up quickly.”

**Todd Macey**  
Vital Learning President
