• TOLLING

• OUR MISSION

Backed by 50 years of experience pioneering, perfecting, and proving our technology, we deliver a fully comprehensive, cloud-based toll operations platform—digital solutions designed for enhanced interoperability + connectivity + seamless, real-time roadside data sharing.

• ROADSIDE TECHNOLOGIES

## Modern roads,
## meet efficient tolling.

Discover more   Connect >

Our solutions couple readily available commercial technologies and near-real-time messaging for immediate efficiency gains. Designed for adaptability to future demands, and changes in tolling operations, our solutions don't just meet the demands of today, but evolve to meet the prospects of tomorrow.
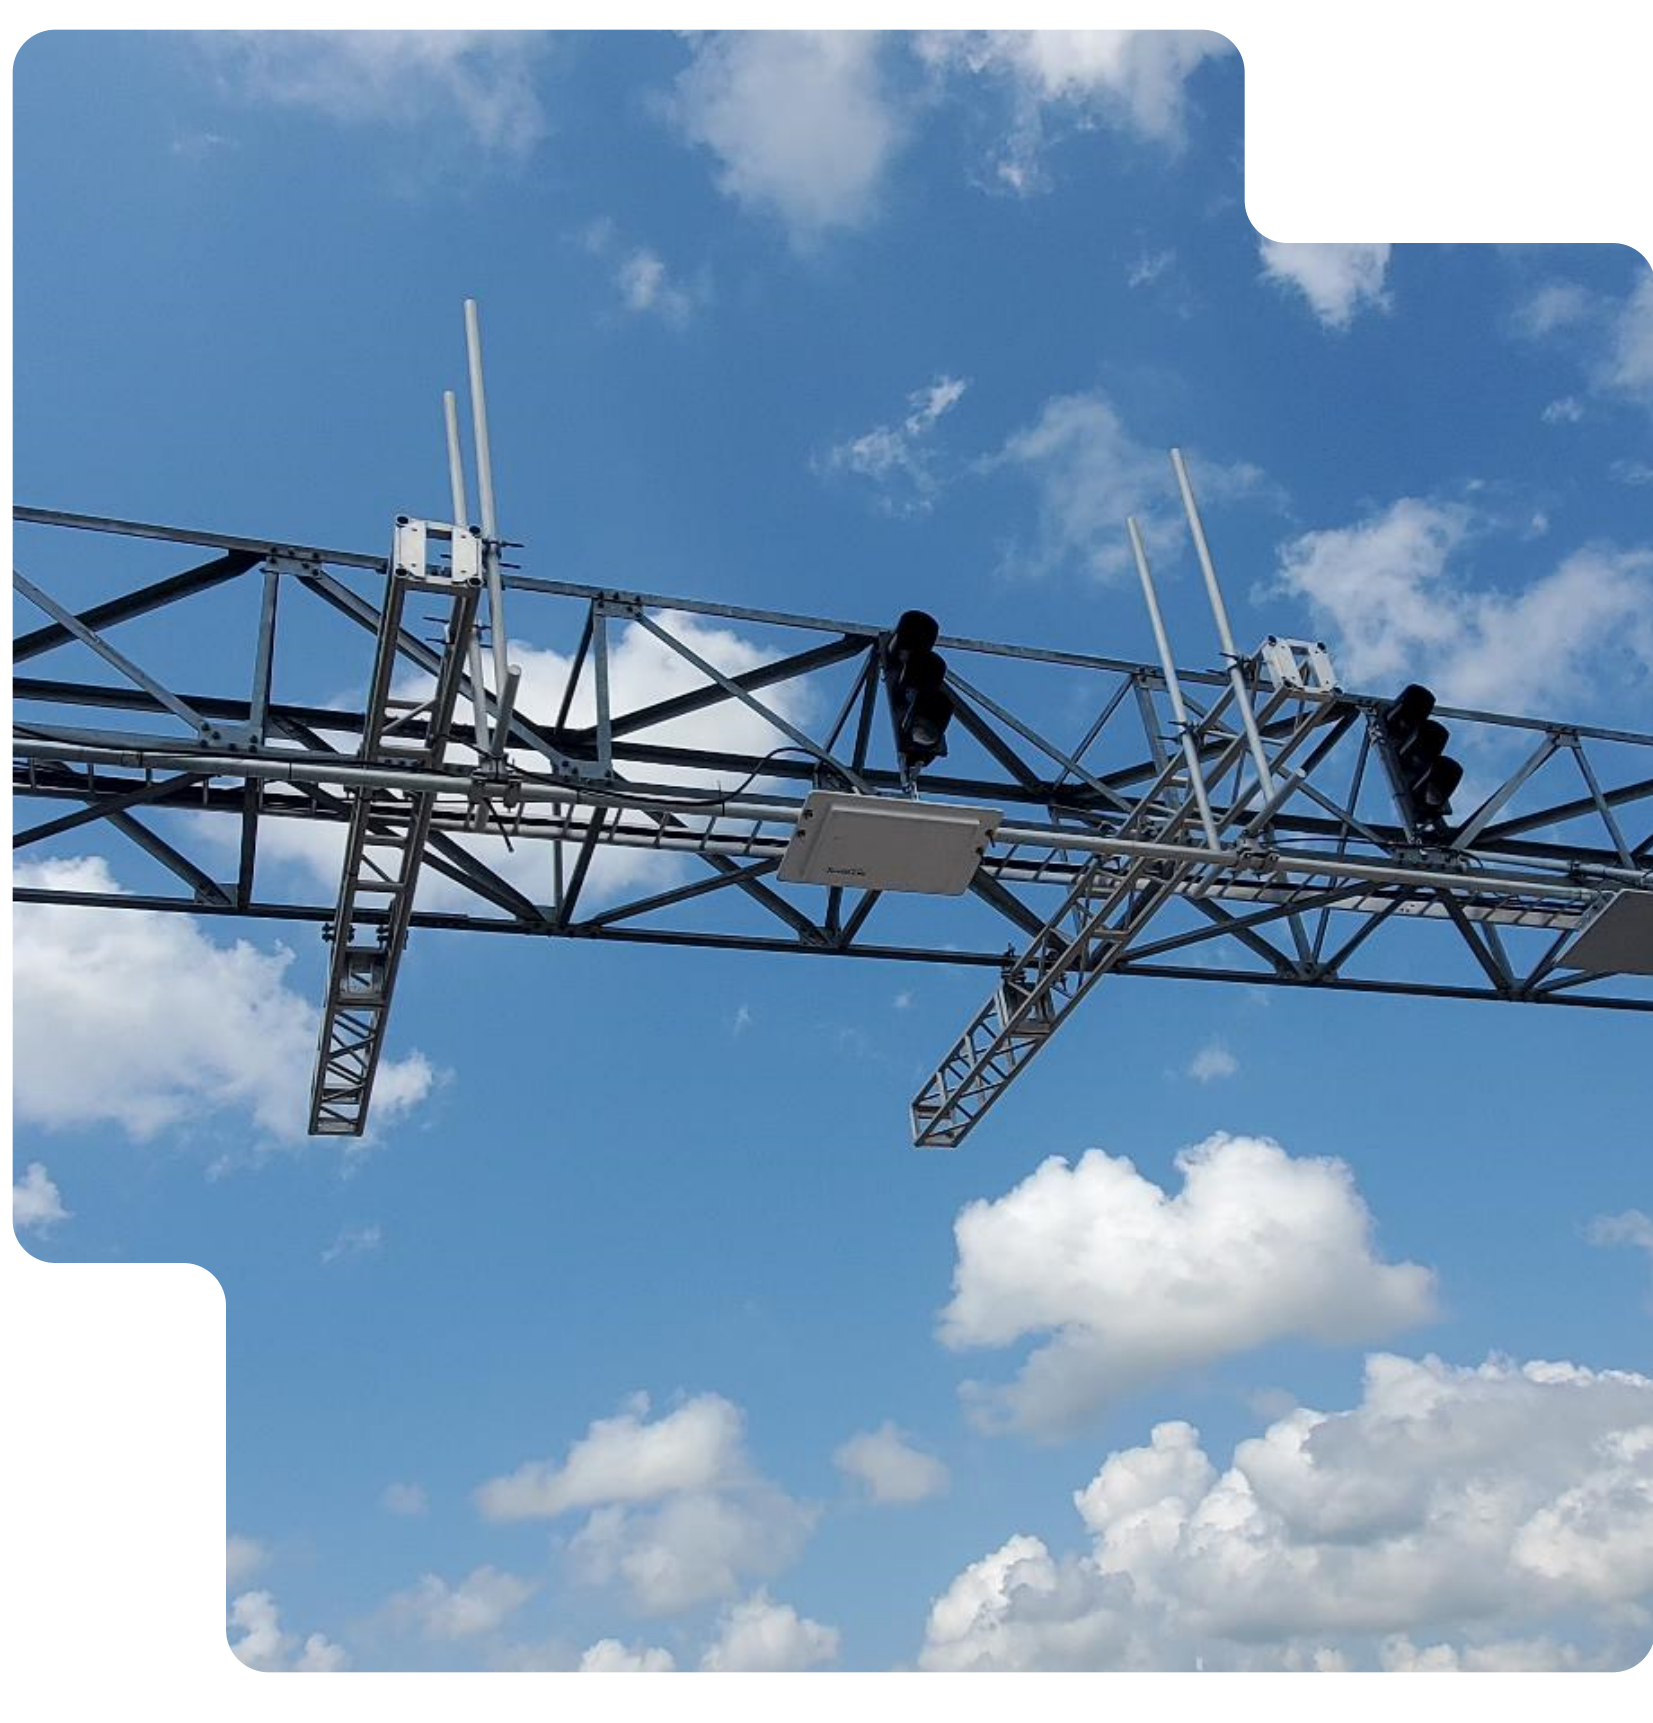

**Technology Integration**

Coupling readily available commercial technologies and near-real-time data streaming for efficiency.

**Adaptability**

Solutions are designed for adaptability to future demands and changes in tolling operations.

Intuitive technology for seamless transactions and reliable operations.

• COMMERCE AND MOBILITY

## Simplified toll systems.
## Easy integration.

Introducing toll interoperability that ensures seamless toll payments across a diverse array of toll systems—providing drivers with a convenient, and connected, experience.

Explore enforcement automation

**Convenience + freedom**

The disconnect of juggling multiple toll accounts has finally been connected. Our solutions provide seamless integration, streamlining the toll payment process—providing drivers with a greater sense of freedom and ease no matter where they go.

• AUDIT AND ENFORCEMENT

## 24/7 tolling compliance.
## 100% efficient and
## accurate.

Ensuring optimal efficiency with industry-leading accuracy, our audit and enforcement systems guarantee precise monitoring and enforcement of tolling regulations.

Find out how

**Automation and Interaction**

Leveraging a cloud-based service, we strike a balance between automation and human oversight.

**Swiftness and Precision**

Agile vehicle recognition systems operate with remarkable speed and precision.

• TOLLING SERVICES

## Available to help,
## whenever you need it.

Our tolling services drive efficiency across all aspects of tolling operations, from field management to office administration, ensuring streamlined processes and optimal performance
